

Flat roofs

KLE-ROOF mounting systems for flat roofs:

Mounting anchors for ballast-free mounting systems.

The KLE-ROOF mounting anchors are specially designed for waterproof and ballast-free mounting systems for solar panels, ventilation units and solar collectors on flat and slightly pitched roofs.

During the installation, the KLE-ROOF mounting anchors are mechanically attached to the roof construction. As a result, no more ballast is needed. This also means that roof functions such as draining water are retained and shifting the systems, with the risk of damage to the roofing material, is a thing of the past.

Benefits:

- Can be used on flat and sloping roofs.
- Pre-mounted cuff, choice of EPDM, PVC, Bitumen and TPO.
- Simple and quick assembly.
- 100% waterproof connection on any roofing.
- Prevents damage to the roof covering.
- Resistant to extremely high compressive and tensile forces.
- Applicable to almost all sub-constructions made of wood, metal and concrete.
- Lightweight construction.

Sloping or flat on Bitumen, EPDM, PVC and TPO roofs.

Kleventa has developed the KLE-ROOF anchor for mounting solar panels on both sloping and flat roofs. Often, obstacles are used that are ballasted with tiles. This is a roof-unfriendly and expensive solution. The KLE-Roof fastening system consists of a HDPE plate with 4 mounting holes. On the HDPE plate is a HDPE water retainer attached with a stainless steel threaded bush for M10. The mounting anchor can be provided with any desired roof covering such as Bitumen, PVC, TPO, and EPDM.

KLE-ROOF Base plate

Characterics:
- QTY 50 pcs.

Art. number:	Product details	Price:
78102709	KLE-ROOF Base plate Bitumen M10	€ 25,95
78102710	KLE-ROOF Base plate EPDM Standard M10	€ 25,95
78102711	KLE-ROOF Base plate EPDM Resitrix (MB) M10	€ 28,95
78102712	KLE-ROOF Base plate PVC M10	€ 25,95
78102713	KLE-ROOF Base plate TPO M10	€ 25,95
78102707	KLE-ROOF Aluminum plate for concrete roofs	€ 6,95

KLE-ROOF Strip

Characterics:
- QTY 100 pcs.

Art. number:	Product details	Price:
78012770	KLE-ROOF Strip straight with 2 M10 knurled flanged nuts	€ 2,24
78012771	KLE-ROOF Strip with an 15 degrees angle with M10x25 bolt	€ 3,64

KLE-ROOF Flat roof socket

Characterics:
- QTY 1 pcs.

Art. number:	Product details	Price:
78012780	Front socket (for 15 degrees angle)	€ 15,95
78012782	Socket for Potret mode (for 15 degrees angle)	€ 24,95
78012784	Socket for Landscape mode (for 15 degrees angle)	€ 24,95

KLE-ROOF Deck screw stainless steel

Characterics:
- QTY 5x40mm 200 pcs.
- QTY 5x60mm 250 pcs.

Art. number:	Product details	Price:
78012029	KLE-ROOF Spaanplaat schroef RVS 5x40 mm	€ 0,25
78012030	KLE-ROOF Spaanplaat schroef RVS 5x60 mm	€ 0,28
